Dear Mr Mark Gadsby,

Professional skills test certificate:

Numeracy skills test

Congratulations on passing the numeracy professional skills test for prospective teachers.

You should keep this pass notification for your personal records as you will not be issued with any additional confirmation.

Your skills test pass result will be available to training providers within 24 hours via our results database.

We recommend that you check your results have uploaded correctly into your test history on the booking and registration website at [www.skillstestbooking.com](http://www.skillstestbooking.com). Please allow 48 hours from the time of your test for the website to update.

If you have any problems accessing your results, please contact the skills tests helpline on 0300 303 9613 or email [support@sta.learndirect.com](mailto:support@sta.learndirect.com). The helpline is open on weekdays between 8am and 4pm (except UK bank holidays).

The Department for Education would like to take this opportunity to wish you every success in your future teaching career.
