

TAKE BACK YOUR TIME FOR TEACHING

According to the DfE, teachers work an average of 54.4 hours a week. This means that, as an hourly rate, teachers' starting pay is just 13% above the National Minimum Wage.

WHAT YOU CAN DO?

1. Meet with your colleagues and discuss workload.
2. Identify the causes of excessive workload using guidance at neu.org.uk/workload to help you.
3. Discuss with your head teacher ways to reduce workload.
