

The student profile is now available. Please see relevant information below:

**Continuing or resitting students in year 2 or 3**

This will enable you to access your marks. Your department will contact you about any assessments you need to resit.

**Students on year 1 or foundation year**

Your marks will appear but they will be provisional until they have been approved by the Programme Examination Board. Once they are approved, your department will contact you if you need to resit any assessments.
